Join CFUNITED conference organizer, emcee, and Teratech's own Michael Smith in a live Breeze Meeting from the show.

Michael will be joined by Simon Horwith and other speakers and attendees. They will discuss what people are learning at CFUNITED, including keynote announcements live from the CFUNITED show floor.

The FREE EVENT will be held on Thursday, June 29th at 12:30 - 1:00 PM US /Eastern, live from the conference.

Please refer to: <http://www.timezoneconverter.com/> for timezone assistance. The URL for the Breeze meeting is listed in the MORE INFORMATION section of the RSVP page. Just click the button to login as GUEST with no password and enter your name when prompted in order to join the meeting from your browser.
