Finally! The topic survey for 2009 is open until December 20th 2008.

Not all topics will be accepted. And not necessarily will these categories become the tracks. We will only be accepting 70 topics for now.

This is the first time EVER that we are choosing the topics through the community picks.

On the survey you can download the PDF of all the topics and descriptions. Do not copy the information on this PDF without the permission of myself and the speaker. These have been submitted to CFUnited directly.

Thank you to the speakers who submitted on time. Thank you to the advisory board for helping me categorize and make changes.

I'm really excited about these topics. So good luck and let speakers know how excited you are about their topics. Blog about your choices so others know and feel free to twitter that you voted. Spread the word!

CFUnited 2009 is going to be Stellar!
