

WEBSITE REDESIGN!!!!

Posted At : March 1, 2010 6:03 PM | Posted By : Tara Kossari

Related Categories: featured, website

Hello to everyone!

We are proud to present to you the amazing new [CFUnited](#) site brought to you by the awesome Stellr team!

Go ahead! Check it all out, and [tell us](#) what you think!

Besides the complete redesign of the website, you will also find some new features.

Each and every attendee can now log in, and personally edit their profile! You can upload your picture, a bio, and other attendees can comment!

We hope you all enjoy and take advantage of this fantastic feature! Use them for networking, finding a roommate, showing off your credentials, and building a presence in the community before you even arrive at CFUnited!

Also, don't forget to [register](#) for CFUnited and to book your room at the Lansdowne Resort if you haven't done so already! **Keep in mind** that the discounted room rates are only in effect until **March 15, 2010**. That means \$179/night for a single, and \$199/night for a double!

Check out [CFUnited's](#) new design and edit your pages!

Props to [Cara](#) for the design and to [Elliott](#) for making it all happen! We are proud to have our boy wonder also speaking at CFUnited 2010 this year. Read all about his [topic!](#)
