We are happy to announce that the Adobe ColdFusion 8 tag posters are being shipped out to a CFUG near you.

You will want to get your hands on one soon.... as you can see the CF8 tag posters are a great addition to office decor ;)

The User Groups have been sent a limited number of tag posters, so we are offering to send you your very own for **free**!

Just fill out the following [survey](http://cfunited.com/go/survey/cf8-tag-poster) and you get your tag poster in the mail.

Due to cost of shipping we are only mailing free tag poster to US residents only. If you reside outside of the US and would like a tag poster just send us a request to [nafisa\(at\)teratech.com](mailto:nafisa(at)teratech.com) and we can figure something out.

The posters were created with the joint efforts of TeraTech and Adobe.
