Related Categories: featured

We have a new quick survey for everyone in the community to participate in. The results will be shared directly with Adobe and the general public. We want to know what version of ColdFusion you are using now. Plus a few questions to help us prepare for the conference.

Answer all 8 questions by June 11th and be entered in a raffle to win a brand new iTouch!

Happy hunting and thanks for sharing this important information with Adobe and CFUnited!
