I have seen so much enthusiasm at this year's CFUnited I am sure it will be back in some format with someone other than me owning it in the future. If you have suggestions for CFUnited Reloaded let me know commenting to this post, by emailing me or by phone. Perhaps the location needs to change, or the format or something else. Or perhaps you have a suggestion of who might buy and run the event in the future. What ever your ideas I am interested in hearing them Thanks!
