Be our Guest!

Many of our attendees are curious about the options for bringing their spouses, and maybe even kids. Is it ok to have guests during CFUnited?

Heck yeah! We created a "guest pass" for all these people in our lives so they can join in the fun! Now you can register yourself for your specific package, and also purchase a "guest pass" based on the day it will be utilized.

The guest passes are \$60/day for Wednesday and Thursday. This includes the all-day amenities and lunch, as well as the evening events. Friday and Saturday guest passes \$50/day as there is no evening event that requires ticketed entry.

These prices are based on our cost per person at the venue, so guests will have access to everything minus the sessions. Kids under 16 are free. During the resorts Health Club classes, Resort Rascal Day Care is available for our guests, but pre-registration is required! Please visit the Health Club while you are on property for advanced registration and further details.

P.S. To all the kids of our attendees: There is a pool... and it has a WATER SLIDE!
