Hello everyone!

As soon as we posted up the guest packages, we realized we were going to have some problems.

Long story short, the system was not going to work as we hoped. So we have a new system.

We are going to offer a guest package for \$220, which will cover Wednesday through Saturday guest amenities, including lunch and evening events.

Of course, we know not all guests will want the whole week's worth of goodies, so we have discounts available for the guest packages.

Guest1 - \$160 off - Use only if you want to use the guest package for either Wednesday or Thursday (1 day only).

Guest2 - \$100 off - Use only if you want to use the guest package for Wednesday AND Thursday (2 days).

Guest3 - \$50 off - Use only if you want to remove the Saturday from the guest package, and therefore would be applicable for Wednesday, Thursday and Friday (3 days).

ALSO!

We have had some people asking about the golf and spa specials that the resort had offered last year. This year, the [Lansdowne Resort](#) will be able to offer 10% off all spa treatments.

Though not many people had taken advantage of the free golf that was offered last year, the Lansdowne Resort was kind enough to let us raffle off (1) free tee time! Stay tuned for more info about that!

Thanks everyone!
