We wanted to thank to everyone who registered during November, December and January. A dollar from each of those registrations was added on our $300 donation, which came out to be a generous gift for a worthy cause.

The [Heart of Virginia Foundation](#) is a non-profit foundation formed in response to the tragic shootings at Virginia Tech. They offer charitable and educational opportunities to promote emotional well-being through the arts and to fight the stigma of mental illness.

They are currently looking for volunteers, so if you're in the Leesburg area and want to help out, check out their [site!](#)
