Do you have it all?

I brought in a celebrity to speak at CFUnited. I saw Janine Driver in DC in June and she's hilarious and has a ton of great tips for business professionals. She will show you how to climb the ladder in your career. She's trained many in the government and law enforcement agencies, now she's reaching to business professionals like us. (See the link to her recent TV show appearances below)

For all you "LIE TO ME" show fans: Janine Driver's mentor is <u>Dr. Paul Ekman</u>, the inspiration behind the new hit TV show.

Her topic is "The New Executive Presence"

Speaking Times:
