I have 4 BOF sessions open from 8:00pm-9:00pm for June 18th. We are looking for interesting topics to fulfill the needs of those jet lagers and die-hard conference goers. If you have an interesting topic, please let Liz know by March 5th. All submissions cannot be accepted. First come, first serve, but if we don't think it fits we might pick the next good topic. Usually we are looking for discussion topics that are fun or interactive.

(Why do they call it Birds of Feather? Such a weird name)

contact liz(at) cfunited.com or comment on this blog. Thanks!
