The Wednesday 6/18/2008 evening event will be located in Hall B at 6:30pm - 8:30pm. We will be serving drinks and hors d'oeuvres. This is a chance to chat with our sponsors and see awesome new demos.

Also, feel free to show off a cool application to other attendees at the Internet cafe. Don't forget to share. :-)

Christian Ready will be at the Media Booth doing podcast interviews with attendees and speakers.

Barnes & Noble is setting up a book signing with some of your favorite authors.

We will hand out some goodies too.

Don't miss out on this great networking experience. Afterward, we have Birds of Feather sessions upstairs and back at the hotel. Create your own BOF on the CFUnited Wiki too for other time slots.
