3. Do you have any projects in the works that you will be revealing at CFUnited?

Actually. I have 2 projects that we will be showcasing at CFUnited this year - one for the Smithsonian and one for CommunityMX. Both utilize the CFWheels framework and will be awesome. Stop by and check them out.

I actually went over to the darkside. I am now a Government employee and work for the Smithsonian. Moved from the desert of Las Vegas to the Capital City of D. C. and participated in my first 10K. Does that count?

8. What is unique about CFUnited?

Where else could you sit and talk to such great people with such great backgrounds and never mention the word - ColdFusion.
