CFUnited is now Podcasting!

Want to listen to the CFLive! presentations in your car, at work, or on the go? If so, subscribe to our podcast! Just click the "podcast" button on our side bar and add the URL of the XML feed to your favorite podcatcher program.

Don't have a podcatcher? What's wrong with you? That's okay, we're just getting hep to this podcast thingy ourselves. Here are some links to some pretty good ones:

Apple iTunes (<http://apple.com/itunes/>) Juice Reciever (<http://juicereceiver.sourceforge.net/>) jPodder (<http://www.jpodder.com/>)

Still not sure what podcasting is? Check out Wikipedia's article on podcasting (<http://en.wikipedia.org/wiki/Podcast>).

As the Breeze presentations are archived, Christian Ready (<http://www.christianready.com/>) will be recording and adding them to the podcast.

Enjoy the show!
