The First early bird ended Dec 31st at midnight.

You might have been thinking that the price was so perfectly low but you weren't ready.

So maybe if you contact me we can work out a deal to get you that rate.

Some ideas:

Volunteer to do some code

Help promote the conference

Donate your time to fold/ stuff mailers

Help find sponsors

I'm leaving this opportunity open for about a week. So contact me soon and I'll see what we can do.

Thanks for the early support!
