Below are the partial results to date for the **2014 State of the CF Union** survey. If you missed the survey you can take it [here](#). See how you compare with other CFML developers. Discover what most developers use for tools, languages, database and development methods.

Can you help? If you are on a ColdFusion list, LinkedIn, Facebook, Google group please share the survey so that we can get a more complete picture of the current State of the CF Union. Thanks!

I will announce the final results on Tuesday Feb 11th 2014.
