Hello world of all things ColdFusion, Flex and Air!

We are officially opening up the list of topics for the community to vote on! Our keen and trusty Advisory Board have voted on some of these topics already. Some of the topics they are voting on as we speak (blog). But we want to hear the voice of the people, the CF fanatics, the proud self-proclaimed geeks that truly represent what CFUnited is all about! Answer the call to action and make your voices heard!

Evaluate the topics submitted and [VOTE](#)

From gurus to newbies, everyone in the world and their dogs can vote (as long as they have an e-mail address) until **February 12, 2010**.
