Hello CFUnited alumni and fans! It's Fall and the leaves aren't the only thing changing this season. Big news everyone, drum roll please... [Liz Frederick](#) is joining the Developer Relations team at Adobe to become a Community Manager! APPLAUSE! Liz has helped to build CFUnited into the premiere ColdFusion conference for over the last 8 years and has done an amazing job as manager and director of CFUnited, putting place practices and procedures that have made for an excellent ColdFusion community event each year.

As Liz is joining Adobe she will be missed at the office but we will retain her guidance through the detailed procedures she leaves behind. She will also continue to be an integral part of CFUnited conferences as a member of the Advisory Board, offering guidance to the Stellr team whenever needed. The Stellr team, including myself, Elliott Sprehn, and Cara Beverage, volunteers and its newest list of advisers (Charlie Arehart , Raymond Camden, Sean Corfield, Shlomy Gantz, Adam Lehman, Liz Frederick, Chaz Chumley, Bob Flynn, Simon Free, Brian Kotek, Andy Powell, Dan Wilson, Todd Sharp, Scott Stroz, and Mark Drew) are committed to put together an amazing CFUnited event in 2010. [Registration](#) is open for business, were running an incredible deal of \$499 for a 3 day package, from now until September 25th! Things went great this year and it's totally gone to our heads! I guess we're just feeling really generous, take advantage and get the BEST DEAL EVER, so far.

Please, feel free to contact any of us if you have any questions or concerns. Remember, [Adobe MAX](#) is right around the corner, Cara and I can't wait to see you there!
