Thank you Ouz Demirkap1 for taking photos of the conference. The experience was very different and very fun to organize. We had over 130 attendees from all over the world. Our sponsors exhibited for both days in the Chablis suite where we also enjoyed a delicious lunch. The session presentations were well done and prepared for and will be posted soon for attendees to view. Thank you everyone for attending and making day and night a special visit for CFUnited staff. :-)
