Related Categories: hotel

The main hotel at the conference is about 3/4 full. We may add rooms if available. The Grand Hyatt is where the speakers will be staying as well as CFUnited Staff and other activities. There will be an "attendee" meeting room in the lower level. This room is available for attendees as a meeting space for special activities 24/7.

The hotel is approximately 2-3 blocks from the Convention Center entrance.

Book your room today! <https://resweb.passkey.com/go/CFUnited08>
