Some people have been asking what the CFUnited bookbag is this year. We ordered this one. 100% Recycled material. It is a nice quality bag that we think everyone will enjoy.

We will let you know next week what the t-shirt will look like. Everyone will be picking up their t-shirts and bags at the conference. Nothing will be shipped prior to the event. An online version of the registration package will be sent next week as well. Thanks and hope you like all the swag this year!
