Hello everyone,

Lansdowne is officially booked solid! We would like to let you know about our overflow hotel for CFUnited. This year, the Holiday Inn Leesburg at Carradoc Hall will be able to accommodate our attendees.

The regular rates start at \$109/night for advanced bookings. However, they offer discounts, depending on your affiliation. For example government rates start at \$97/night.

Be careful though! The AAA discount and the state government discount have a higher nightly rate than the advanced bookings, so I suggest you book early to ensure the lowest rate!!

The Holiday Inn will also provide a shuttle service to the Lansdowne Resort, also to and from Dulles Airport.

Check out the [Holiday Inn Leesburg](#) and make your reservations!
