We are opening 200 tickets at \$499 for the 3 day price. But we also have to cut it off September 25th. So tell your friends who didn't have the opportunity to go this year. It is more affordable than ever. Once you have your ticket, that's half the battle!

2010 will rock and you might just be surprised that we will be able to make it even better.

The event will take place in August and will be in the DC metro area. We will announce the exact location and dates in the upcoming weeks. If you register now and upon announcement the venue and dates do not work for you we will refund your registration, so there is no risk in taking advantage of the early bird price.

There is only one more week left to take advantage of our lowest registration packages, register while the offer is still available! <http://register.cfunitied.com/>
