We are excited to announce our evenings events for this year's CFUnited:

On Wednesday night, from 7-9 pm, we are hosting a networking reception event in the Ballroom Foyer. Our reception is the most opportune time to meet and greet with our wonderful speakers and sponsors and of course, our attendees. Make sure you bring plenty of business cards! And don't worry, we will have a bar and passed hors d'oeuvres such as buffalo chicken skewers, vegetable spring rolls and curried wonton shrimp! yum!!

On Thursday night, Adobe will be hosting their Pool Party from 7:30 - 10:00 pm. Take a dip in any of the three refreshing and super awesome pools at the Lansdowne Resort. You may also enjoy the scrumptious cajun seasoned french fries (yes, we're bringing them back), chicken cashew spring rolls, roasted mushroom fritters and glamorous deserts! Make sure you bring your bathing suits!!

On Friday, our last night, the Lansdowne Resort will have a fabulous concert, as part of their [Sounds of Summer Concert Series](#). To our luck, this week's band is [The Reflex](#), an ultimate 80s tribute band! Cara and I will be rocking out in our leg warmers and cut off t-shirts - it's going to be rad, totally.

If you are already registered, but would like your spouse to take part in these awesome fabulous events, check out our packages for a [guest pass](#)!
