Related Categories: cfunited express

Tony Hillerson will be replacing Simon Horwith at the CFUnited Express Bay Area on November 9th. His topic will cover "Offline/Online features of AIR" - use cases, how to do it with LocalSharedObjects, Files, and SQLLite.

We are excited to have Tony join us in San Francisco. Thanks!

Event details:

November 9th 2007

Location: JW Marriott 500 Post Street corner of Post and Mason San Francisco, California 94102 USA
