Related Categories: hotel

Hello Attendees. We will be closing the room block on Thursday the 15th. The Grand Hyatt has about handful of rooms left. The over flow is Metro Center Marriott, about 1 block from the Grand Hyatt. We can only hold 15 rooms per night at the Marriott without being fully responsible for them. And they are requiring that we expire the room hold by the 15th.

There are other hotels in the area that are reasonable.
