Join dataTV's [Adam Bell](#), [Ludicus Corporation](#) and [Community MX's Chaz Chumley](#), and [ZoobieSoft's Yancy Wharton](#) at [MiniMax8](#), Tuesday Evening, June 17th at 8PM ET at the Lafayette Room at the Grand Hyatt Hotel in downtown Washington, DC.

MiniMax8, hosted by Adam Bell, is a FREE event that is a prelude to the main CFUnited conference. It hosts a series of 15 minute tutorials provided by some of the best experts in the web, print, broadcast and interactive design and development community in the Greater Washington DC and Capitol Region area and across North America. Expect to see sessions on ColdFusion, Flash, After Effects, AIR, Flex, Photoshop, Dreamweaver as well as other Adobe related applications mixed in for good pleasure.

Don't miss out on this free event, visit <http://www.minimaxconference.com/> to learn more and register.
