Hi Folks!

We've created a temporary site for the CFUNITED 2007 event at <http://www.cfunitied.com/2007/>

We are working to create our new site that will incorporate several new features. For now, visit the 2007 site to get information about prices and discounts. The early early bird price ends December 31st 2006.

Topics and Speaker information will be posted December 1st!
