CFUnited Announces the Flex track topics. http://cfunited.com/2007/pages/topics.cfm

Actually we have renamed the track to Flex/Apollo/Ajax. We will be adding more topics to that track soon. And, yes, Apollo too!

I've had a lot of questions about Scorpio Topics. We do have them on reserve. So don't worry! Adobe is going to be announced as Platinum Sponsor soon and they will cover some excellent topics.

Flex Topics

Advanced Styling and Skinning in Flex 2 * Rob Rusher

Continuous Testing with Flex and Coldfusion Projects * Thomas Burleson (Universal Mind)

Flex 101 * Ted Patrick (Adobe)

Flex 2 for ColdFusion Developers * Jeff Tapper

Flex and Ajax: perfect match * Rob Gonda (iChameleon Group)

Flex Data Services & ColdFusion Scorpio - Faster, Better and Cooler than ever! * Tom Jordahl (Adobe)

Using MVC with Flex/Coldfusion projects * Thomas Burleson (Universal Mind)
