Our first 2008 Bronze sponsor is Savvy Software!

[Savvy Software](#) is the developer of Savvy Content Manager - rapidly becoming the go to solution for web content management. Painless installation, ease of use and quick training times are its hallmark. Savvy CM is supported by many ColdFusion hosts, is low cost and incredibly easy for your end users. Easily extend the cms with your own code. Our partner program is growing quickly, and a great option for those in the web development field who don't wish to rebuild the wheel, but instead build upon it.
