I kept the best for last.

Atlanta showed lots of love for CFUnited. It was a great experience from beginning to end.

Leif Wells was my host and he did an amazing job helping me with the event. It was the smoothest event ever run in my 8+ years with these types of events. Not only did he taxi me around but he went above and beyond what was expected. Its people like this that encourage us to bring great speakers and great attention to a deserving community.

The venue at RoundBox Global was awesome. A nicely renovated factory is how I can describe it. The attendees were great. They asked a ton of questions, they enjoyed all the food, and gave me wonderful feedback.

Atlanta, we will certainly be coming back. I enjoyed every minute. Thanks again!
