Hi developers all over the world, we are announcing most of the topics for CFUnited Europe this week. This is the first list released and is subject to change upon speaker availability.

Thank you to all speakers who submitted topics and suggestions. We look forward to having you speak at future events around the world.

Each speaker will be contacted and if the invitation is accepted, that speaker will receive free hotel accommodations and free conference attendance.
Congratulations and Thanks!

This list will be posted to <http://europe.cfunited.com>
