

# Hal Helms unable to attend

Posted At : June 21, 2006 4:20 PM | Posted By : Admin

Related Categories: speakers

Unfortunately Hal Helms will be unable to join us this year and we are working to replace his talks with Speakers like Simon Horwith, Nick Tunney, Jeff Peters, and Sean Corfield. More information coming soon. We apologize if our event materials do not reflect the last minute changes.

His Domain Modeling class is NOT cancelled and we have a professional replacement who is speaking with Hal at this moment to figure details.

More information coming soon.
