Related Categories: cfunited europe

We have moved the evening event to begin at 5:30pm and it will be at the Novotel London West with open bar and hors d'oeuvres. We will end the night at 7:30pm. Our sponsors are excited to mingle with you. Experience one-on-one time with several of our speakers and ColdFusion experts from Adobe!

We look forward to our London experience and having lots of ColdFusion fun!
