Happy New Year one and all! 2009 was packed to the gills with big news. Among the biggest were: world changing political events, earth shattering celebrity events, and the mind-blowing success of premier ColdFusion event at CFUnited 09. Yes, 2009 was in intense year. And 2010 already shows promise of knocking our socks off. CFUnited 2010 is cleared for take off. The Stellr team is in gear, once again teaming up with the lavish Lansdowne Resort, dropping topics like snowflakes, and making big plans for 2010.

As we move into the new year and advance into a new phase of the CFUnited 2010 countdown, many forward thinkers have already claimed a piece of the action. Join them, register for CFUnited 2010 before 1/8/2010 and take advantage of Early Bird prices. Then cling to CFUnited.com like static to a dryer sheet to stay on top of the latest announcements and updates about the hottest thing this summer, the event around which the yearly calendar truly revolves.

As we sit here in our chilly office at Stellr headquarters, we huddle close to the space heater. We know it is now only a matter of time until we will be feeling the

warm summer sun and seeing once again the CF community come together wearing flip flops and sunglasses, high-fiving their hellos, reconnecting and making new connections. At that time, the only things frozen will be our drinks. Make the fantasy a reality, and do it at a low price.

Register before the Early Bird ends on 1/8/2010. And don't forget that we are still donating \$1 from each registration to The Heart of Virginia in the month of January. www.theheartofva.org
